

Job Title: Podiatrist (Full-time & Part-time posts available in Cork and Dublin)

Diabetes Ireland is seeking podiatrists (full time and/or part time) and invites applications from suitably qualified podiatrists for its diabetes footcare services in Santry, Dublin and Mary Street, Cork City.

As a Podiatrist, you will have the vision and drive to provide optimal diagnoses, treatment (or referral pathways) in order to improve outcomes for patients who are at risk of or have developed foot complications. As part of our team, you will be responsible for the commencement, development and continued provision of a quality, responsive and effective podiatry service to prevent deterioration in foot health.

Postholders will support the co-ordination of the day to day running of the service, manage a varied case load of patients, ensure adequate clinical records and statistical information are maintained, have instrument decontamination and sterilisation responsibilities and responsibility for recording and updating of notes following assessment and treatment of patients.

Many of these patients have Diabetes and have or are at risk of Diabetic Foot Disease. Many are also from other care groups such as Vascular, Rheumatology, Neurological, who also require High Risk footcare management. Through regular assessment and treatment our aim is to reduce their risk of developing serious foot complications thereby reducing the need for hospital admissions.

This post offers a good opportunity for a motivated podiatrist to further develop skills in diabetic footcare and management. The postholder will have the support of Ireland's National Diabetes Charity and opportunities for continued professional development. These posts are open to candidates who will obtain a BSC in Podiatry in 2025.

Qualifications:

Candidates must, at the date of appointment to the post, possess (or will obtain this year):

- BSC in Podiatry or hold an equivalent qualification as validated by CORU
- Have the clinical, managerial, and administrative capacity to discharge the functions of the role.
- Be CORU registered or be in the process of CORU registration

Please see the job specification for further details [**Podiatrist Job Specification**](#)

Salary: Negotiable.

To apply, please submit a Letter of application and CV to Gillian Reynolds, Diabetes Ireland, 19 Northwood House, Northwood Business Campus, Santry, Dublin 9 or
Email: gillian.reynolds@diabetes.ie. Please state if you are interested in a full or part time post.

The closing date for applications is **Monday 14 April 2025 (5 pm)**. Enquiries to Gillian Reynolds.

Shortlisting may be carried out based on the information supplied in your CV.
